

Plein Air Painting Around Keuka Lake

With Kevin Feary

Sponsored By: The Arts Center of Yates County
Dates: Monday – Thursday, August 6 – August 9
Times: 9:00 am - 4:00 pm
Workshop Fee: \$230 for ACYC members and \$280 for not-yet members

This four day workshop will focus on composition with loose, but accurate drawing and correct space relationships. We will attempt to capture the light effect of the day through proper use of values and color. We will touch on all aspects of plein air painting and experience the joy of painting outside on location. My goal is to learn the vision of my students and then help them to achieve that vision through careful observation and paint application in whatever style you may have.

Each day I will demonstrate in oil in the morning. After lunch the group will paint while I go around and give personal attention to each student. A materials list of what I use, recommended items to bring, and itinerary with daily locations will be sent out to registered students.
